👤 PROFILE

UI/UX Designer

As a recent graduate with a passion for creating intuitive and visually appealing user experiences, I am eager to launch my career as a UI/UX Designer. I am committed to translating user needs into innovative design solutions while continuously refining my skills in this dynamic field.

Full Stack Developer

A highly motivated and detail-oriented Full Stack Developer with a strong foundation in Java programming and web development. Seeking an entry-level position to contribute to innovative projects, learn from experienced professionals, and further develop my skills in a dynamic and collaborative environment.

📁 PROFESSIONAL EXPERIENCE

10/2023 – present
Pune, Maharashtra

UI/UX Designer Internship

During my UI/UX Designer internship, I gained invaluable hands-on experience in the dynamic world of user interface and user experience design. Over the course of my internship, I had the opportunity to collaborate with a talented team and work on real-world projects that helped me refine my design skills in Figma.

07/2023 – 10/2023
Pune, Maharashtra

Business Development Executive

As a Business Development Executive with 4 months of experience, I have demonstrated a strong ability to drive growth and create opportunities for my organization. During my tenure, I have actively contributed to expanding the company's client base and increasing revenue. I have a proven track record of identifying and nurturing leads, building strong relationships with prospective clients, and closing deals.
